Mr. William L. Brown
Executive Director
Interagency Classification Review Committee
Room 604, National Archives Building
Seventh Street and Pennsylvania Avenue, N.W.
Washington, D.C. 20408

Dear Mr. Brown:

Submitted herewith is the Central Intelligence Agency's Annual Declassification List of those documents in the Data Index which were automatically declassified as of 31 December 1974.

The format differs somewhat from that specified in the Letter of Instructions. All of the required data elements are provided, but the sequence varies from the prescribed standard and certain data elements appear as part of the title instead of being separately fielded. I am informed that [redacted] of our Information Review Staff has discussed this matter with you and was assured that the report would be acceptable in this format. The programming necessary for an output format that fully complies with the Letter of Instructions will be completed prior to the deadline for next year's report.

Sincerely,

Signed: John F. Blake
